

WHAT IS THE PACT FOR SKILLS?

It is a European initiative launched to mobilise concerted efforts among private and public stakeholders for quality investment in Vocational and Educational Training (VET), targeting different productive ecosystems, including the construction industry

WHAT DO WE WANT TO ACHIEVE?

Attract **young people** to the construction sector, developing a global strategy for their **qualification** and their **employability** within it, in line with the Pact for Skills for the Construction Sector

OUR TARGET GROUPS

Young people, SMEs, employment and education and training policy-makers, VET providers, social partners, construction industry

WE WILL GET THERE THROUGH...

Public-private working groups to **boost the employability** of young people

Awareness-raising, communication and dissemination campaigns on **employment in construction** aimed at SMEs and young people

Events on **innovation** addressed to SMEs

Practical training days on construction activities addressed to young people

WHAT ARE OUR CHALLENGES?

Roadmap and Action plan to improve the employability of young people in the construction sector

Adherence of key sector organisations

Cooperation agreements between SMEs and VET centres

Intermediation services and **accompanying** measures for young people and SMEs

Identification and activation of professional referents to **attract young people to the sector**
